

Bubaque Island

Bubaque is an island of **75 km²**, the **largest** and most populated in the Bijagós archipelago with around **9,000 inhabitants**. Located in the **centre** of the archipelago, it is a **key point** for exploring the **neighbouring islands**.

Nature and local life

Pristine beaches

Surrounded by lush **vegetation** and **white sand** beaches. The Bruce beach stands out with **18 kilometres** of **untouched** landscapes.

Town centre

On the **coast** you will find the **local market**, **typical bars** and **hotels**, forming the **central** core of the island.

Bijagó culture

The **tabankas** (traditional villages) are the **heart** of the community, where ancestral **dances** and **rituals** come to life.

Connectivity and tourism

Excellent connection

Thanks to the **Bijagós I ferry** and **high-speed boats**, it is the best **connected** with Bissau.

Greater hotel offer

Bubaque has the **largest hotel offer** in the archipelago.

Exploration base

Its **central position** makes it **ideal** to **plan** excursions to nearby **islands**.
