

Mango Eco Lodge

It features a garden, shared lounge, terrace, restaurant, bar and barbecue area. Bicycle hire is also available. It has 20 beds and 15 spaces for tents.

Mango Lodge offers rooms with a balcony and garden views, equipped with a private bathroom, shower, free toiletries, bed linen and towels. It has a 24-hour reception with multilingual staff (English, French and Portuguese) and a concierge service.

Rooms

Crazy Room

Perfect for couples seeking romance and privacy in nature.

Mango Room

Ideal for families who want to share experiences in a sustainable environment.

Cabaceira Room

The perfect balance between sustainability and luxury for special occasions.

Our Ecological Commitment

100% Renewable Energy

We use solar panels for all our electricity. Each room has low-energy LED lighting.

Responsible Water Management

Rainwater harvesting systems. We reuse greywater for our organic gardens.

Zero Waste

Composting of organic waste. We have completely eliminated single-use plastics.

Sustainable Materials

Construction with certified woods. Furniture made by local artisans with recycled materials.

Unforgettable Experiences

Nature Trails

Hike our ecological trails. Observe birds and local wildlife. Specialised guides available.

Local Connection

Visits to nearby communities. Support for local artisans. Authentic cultural exchange.

Wellbeing

Spa treatments with organic products. Sunrise yoga sessions. Meditation by the stream.

Sustainable Gastronomy

Ingredients from our organic garden. Traditional cooking workshops. Candlelit dinners.
