

# Rubane Island

Rubane Island is one of the most impressive jewels of Guinea-Bissau.

**Separated** from the main island of **Bubaque** by a narrow **channel**, it combines **pristine nature**, **white sandy beaches** and a **high-end hotel** offering.

# Cultural significance

## Spiritual value

Rubane has great **spiritual significance** for the Bijagó people, with **sacred sites** and ancestral rituals.

## Nomadic life

They move to other nearby islands to **plant and cultivate**, maintaining their traditions.

## Settlements

The Bijagós build "**moranzas**", **temporary villages** where they live **part of the year**.

# Exclusive Destination

## Premium Accommodation

Rubane offers **high-quality** accommodation with an exquisite local **gastronomy**.

## Strategic Location

**Ideal location** to **explore** other **nearby islands** such as Orango, Canhabaque or Soga.

## Natural Paradise

**Gorgeous beaches** surrounded by lush **forests**, perfect for **relaxation** and enjoying the **sun and sea**.
